HOW TO MEASURE KNITTED JERSEYS

All measurements are in **cm**.

To find the measurements right for you, place a garment that fits you well on a flat surface and measure as marked on the diagram below.

Waist (**A**) measurement is to be taken **2cm** below the armhole.

Body Length (**B**) measurement is taken from the centre back neck to the end of garment.

Sleeve measurement (**C**) is to be taken from the **shoulder point** to end of sleeve including cuff.
